Boil Water Notice Rescinded

Date: June 17, 2026

On May 6, 2025, the Texas Commission on Environmental Quality required the White Deer Municipal Water system, PWS I.D. TX #0330003, had to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system as required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided TCEQ with laboratory test results that indicated that water no longer requires boiling prior to use as of Date: June 19, 2026.
